Dear Dan:

25X1A

We return, unexecuted, Amendment No. 7 to [REDACTED] for the following reason:

We should prefer to bill on equivalent man-hour rates, rather than on man-month rates, since the former are more compatible with our present accounting method.

For your convenience we set them forth below:

Man Month Rate  
Man Day Rate  
Man Hour Rate

[REDACTED]

25X1A

We should appreciate your having these rates spelled out in the contract so that we may bill as suggested above.

Very truly yours,

[REDACTED]
